

Chapter 4
I... Can Play!

What now?
...We haven't
been able
to find a
keyboardist
at all...

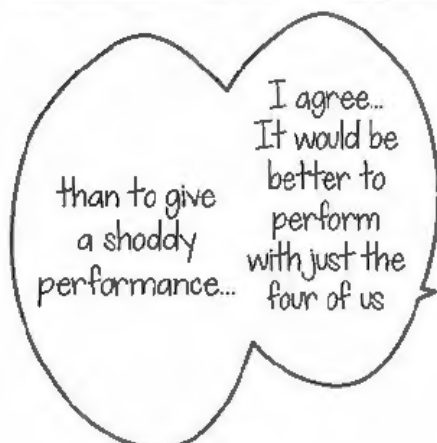

It's been
a week
since
then.

I don't
want to add
anyone else
if it means
compromising
on skill,
though.

To be
honest, it's
a miracle
the four
of us
assembled
in such a
short time.

than to give
a shoddy
performance...

I agree...
It would be
better to
perform
with just the
four of us

HMN...

I'll do the same!
I want to help find
"our very own place"...

And "my very own" definition of cool!!

Ah!

I have a lot of friends, so I'll try calling everyone I know outside of music...!

...Just a minute!

It's
always
so fun....

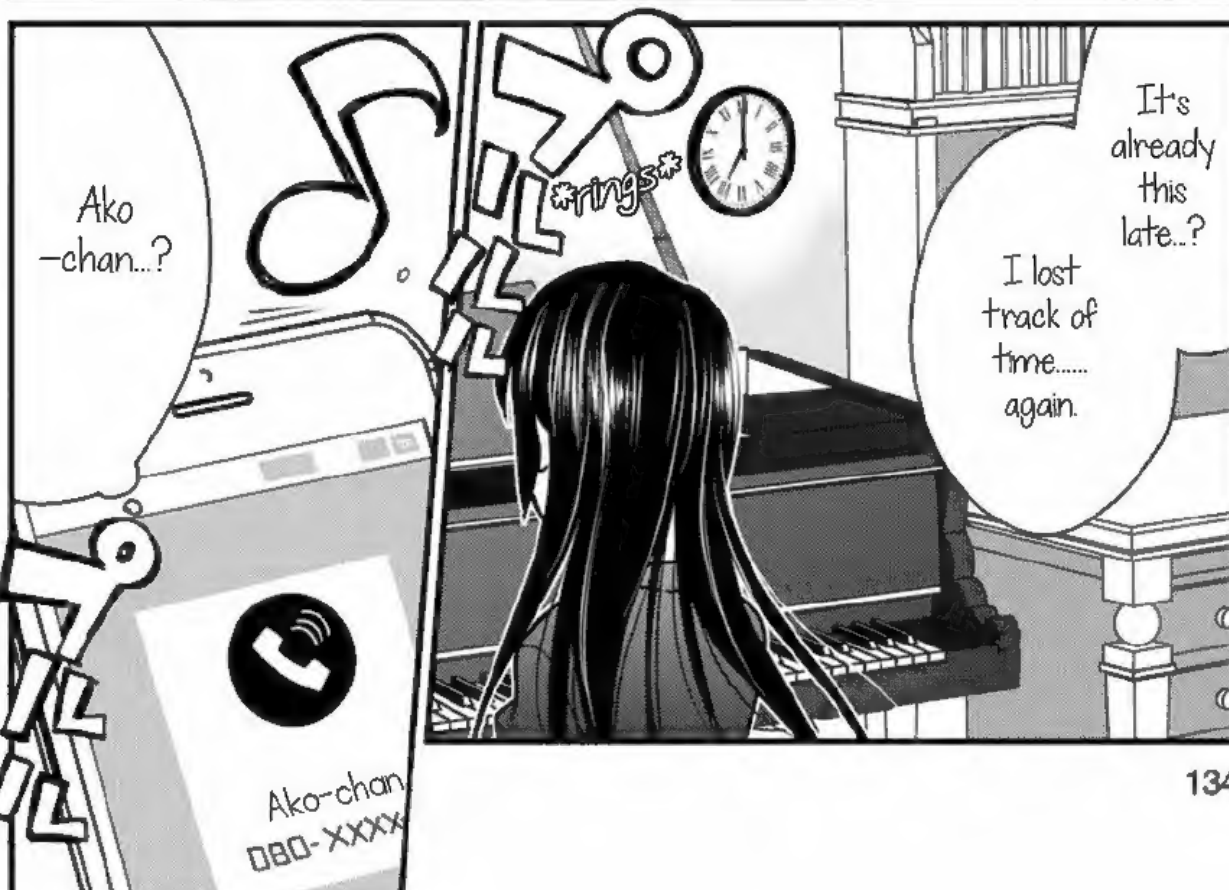

....No
matter

how many
times I play
with them..

...Ah.

....Phew...

Ako-
chan...?

rings

It's
already
this
late..?

I lost
track of
time.....
again.

rings

Ako-chan
080-XXXX

...with...
...the
video....

H...
played...
a lot...
together..

...umm....

Are you
good enough
to pass this
challenge
song?

Rinko
-san.

I want to
hear about
your music
experience.

Does that
mean it
was too
difficult?

I'm asking
about your
performance
level, though...

The
video?

I just want
to... play with
these people...
that's the
main reason
I came.....

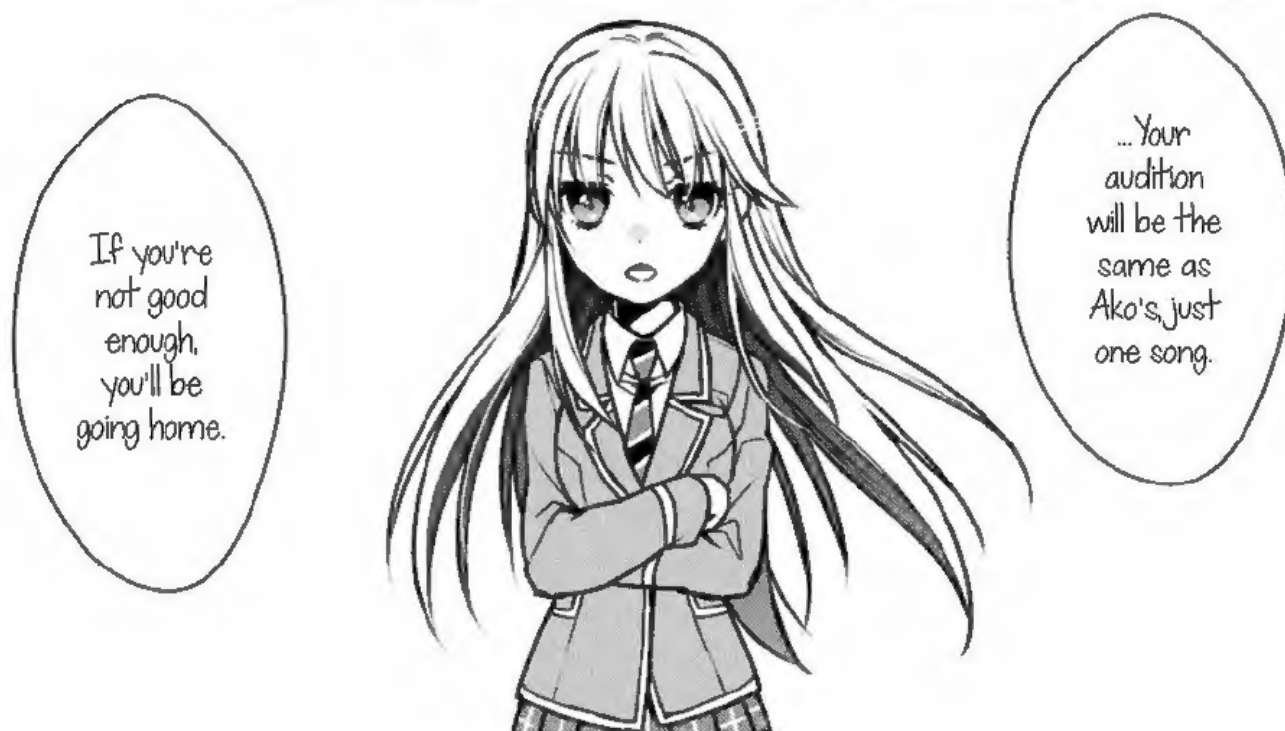

I heard
you've won
a prize at a
famous piano
competition
before.

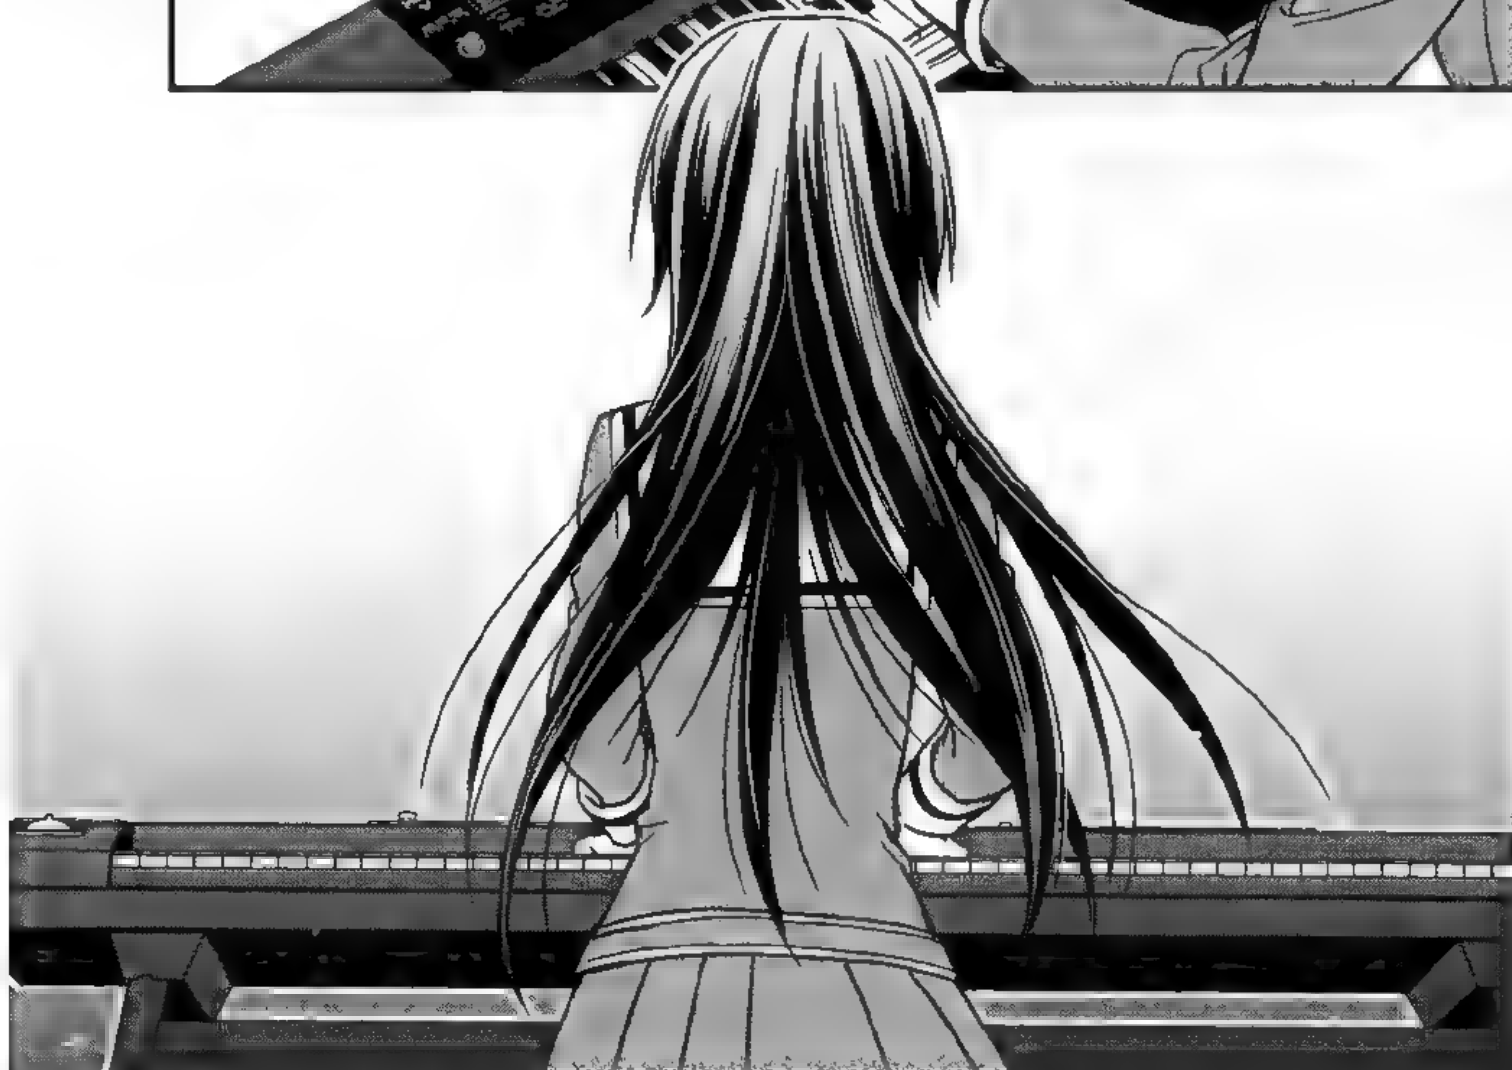

Shirokane
-san, this
is our first
time talking,
even though
we're in the
same class.

That was
when I... was
younger....
just....

Amazing

... This is
completely
different
from when
I played with
the video...

And...

YUKINA!

...This is
so fun...!!

...to play...

...even
more!!

So much...
...more fun...
...than playing
alone....

More...
I want...

I used
that to
practice.

Ah!
You
mean that
practice
video I sent
you?

I played
a lot...
together
with...
...the
video...
at home...

With all
of you...

Ako,
Rinko-san.
and Lisa

Okay then.

I thought
there was an
odd sense of
unity there.

I see..

We will be performing live with the five of us.

Yay☆

Live...?

Ako, did you explain properly?

You aren't looking so good

Wait, what's wrong? You're panicking.

Rinko-chan... or maybe just... Rinko!

Looking forward to working with you♪

Panics
Uh-eh...

Uh-eh...

...!

Yu-Yukina-sa-...

No matter how skilled you are, I'm not wasting time on you if you're not willing to perform live.
We'll look for another keyboardist.

.....I... WANT...!

.....TO PLAY!

Th-... That's the first time... I've heard Rin-Rin...

speak... so loudly...

!?

I-I'LL
DO MY
BEST...

...SO...
...PLEASE!!

I WANT...

...TO PLAY...
...WITH
EVERYONE...
HERE...!

Rinko.

.....I see.

Show us
those feelings
when we
perform live.
